V-8 TIMES Index of Articles

Reading the Index of Articles

The Index of Articles has been updated. The new listing looks like this “99-Jan/Feb-66.”

The first two digits indicate the year, i.e. “99” = 1999.

The JAN/FEB indicates the issue, i.e. January/February.

The last digits “66” indicates the page number where the article/item appears in that issue.
