David Gunnarson

Arriving in early 2023

This is the latest book in the Early Ford V-8 Club series. Over 275 fact filled pages in a 8 1/2 by 11 spiral bound format with hundreds of illustrations covering all aspects of Ford's iconic Model 51 trucks. Covering platform, stake, dump and panel trucks along with driveaway chassis, tools, accessories, optional equipment and much more. This book is made possible through extensive research at the Ford Archives and many other sources.

The first 100 orders will receive a copy signed by the author. Reserve your copy today. Shipping will commence in early 2023
